

IAS-OSLA Course "Lipid Metabolism and Cardiovascular Risk"

Muscat, Oman, 16-19 February 2018

Dear Colleagues,

The International Atherosclerosis Society (IAS) and Oman Society of Lipid & Atherosclerosis (OSLA) are organizing the 4th "Lipid Metabolism and Cardiovascular Risk" course in Muscat, Oman 16-19 February 2018

Course General Objective:

This residential course aims to increase the knowledge and experience of early-to mid-career English-speaking practicing clinicians interested in the management of lipid disorders. The course will consist of three days of lectures and interactive workshops (**agenda**). This unique course will link local, regional, and international leaders in the field of lipid management with early-to mid-career clinicians practicing in the Middle East and North Africa (MENA) region.

Who can apply:

Clinicians (including adult or pediatric cardiologists, endocrinologists, general practitioners, lipidologists, clinical biochemists), below the age of 40 years who are currently working at a hospital/university/other health institute in the MENA region.

1

Email the following documents to oslaoman@gmail.com:

- A) short CV including all publications in English
- B) a letter of recommendation from the head of your institution
- C) a half-page description of how this course will help you to increase your knowledge in the field of lipid disorders and management and improve your practice
- D) Copy of your passport
- E) A high resolution personal photo

2

All applications will be evaluated by the organizing committee and notifications of acceptance will be sent to you by email on the 12 January 2018. management and improve your practice

3

All the expenses related to registration, air fare (economy class), accommodations, and meals for the duration of the course will be covered by the organizing committee.

4

Admission to the course will be restricted to 30 applicants.

Deadline for application:
7 January 2018

Please feel free to pass this information on to others who may be interested. We look forward to hearing from you and to a very exciting initiative.

Sincerely,

Prof. Yuji Matsuzawa
President of IAS

Dr. Khalid Al-Rasadi
President of OSLA
