

Curriculum Vitae

Shizuya Yamashita, M.D., Ph.D.

Professor, Department of Community Medicine, Department of Cardiovascular Medicine, Osaka University Graduate School of Medicine

<Date of Birth>

March 7, 1954 (Nishinomiya City/Hyogo, Japan)

<Citizenship>

Japan

<Education and Occupation>

- 1979 Medical Degree, Osaka University
 Resident, Osaka University Hospital
- 1980-82 Clinical Fellow, Department of Internal Medicine, Toyonaka Municipal Hospital
- 1982 Department of Internal Medicine II, Osaka University Hospital
- 1988-91 Visiting Scientist, Division of Atherosclerosis (Supervisor: Prof. David Y. Hui)
 Department of Pathology and Laboratory Medicine, University of Cincinnati
- 1991 Clinical Fellow, Second Department of Internal Medicine, Osaka University Medical School
- 1992 Assistant Professor, Osaka University Medical School
- 1993 Visiting Scientist, Division of Molecular Medicine, Department of Molecular Medicine, Columbia University (Supervisor: Prof. Alan R. Tall)
- 1995 Lecturer, Second Department of Internal Medicine, Osaka University Medical School
- 1996 Lecturer, Department of Internal Medicine & Molecular Science, Osaka University Graduate School of Medicine
- 2000 Associate Professor, Department of Internal Medicine & Molecular Science, Osaka University Graduate School of Medicine
- Apr, 2005 Associate Professor, Department of Internal Medicine & Cardiovascular Medicine, Osaka University Graduate School of Medicine
- Oct, 2005~ Professor, Department of Cardiovascular Medicine, Osaka University Hospital
- 2013 Professor, Department of Community Medicine, Osaka University Graduate School of Medicine
- 2015 Director, Rinku General Medical Center
 Professor, Department of Community Medicine, Osaka University Graduate School of Medicine

<Research Interests>

- ① Lipoprotein metabolism
- ② Pathogenesis of atherosclerosis
- ③ Clinical practice and molecular biology of metabolic syndrome

<Editorial Board>

- ① Arterioscler Thromb Vasc Biol
- ② Atherosclerosis
- ③ Metabolic Syndrome and Related Disorders
- ④ J Atheroscler Thromb
- ⑤ Circulation Journal

<Board Certification>

- ① Board Certified Member of the Japanese Society of Internal Medicine
- ② Board Certified Member of the Japanese Circulation Society
- ③ Board Certified Occupational Medicine Doctor
- ④ Board Certified Health & Sports Medicine Doctor

<Councils and Committees>

The Japanese Circulation Society

Japan Atherosclerosis Society

Japan Society for the Study of Obesity

Japanese Society of Molecular Medicine

The Japanese Society of Internal Medicine KINKI Branch

The Japanese Circulation Society, Kinki Regional Branch

Member of Japan Atherosclerosis Society Investigating Committee of Guideline for Diagnosis and Treatment of Hyperlipidemias (~1997)

Member of Japan Atherosclerosis Society Editorial Committee on Hyperlipidemia Treatment Guide, 2004 Edition (~2004)

Member of Japan Atherosclerosis Society Committee (Chair of Public Relation Committee, Member of JAS Award Committee, Committee for General Affairs, Scientific Committee, and Committee for International Affairs)

International Society of Heart Research Japanese Section

Fellow of American Heart Association (International Fellow of Council on Arteriosclerosis, Thrombosis & Vascular Biology, and Council Member of Council on Basic Cardiovascular Sciences)

<Membership in Professional Societies>

Japan Atherosclerosis Society

The Japanese Society of Internal Medicine

The Japanese Circulation Society

Japanese College of Cardiology, Japan Society for the Study of Obesity

The Japan Diabetes Society

The Japan Geriatrics Society

Japanese Society of Molecular Medicine

Japan Medical Association, International Society of Heart Research Japanese Section

Japanese Vascular Biology & Medicine Organization

International Atherosclerosis Society

European Atherosclerosis Society

European Society of Cardiology

American Heart Association

<Publications in English>

281 original manuscripts & 28 reviews written in English

April 28, 2016
