

## CURRICULUM VITAE

*O.Univ.Prof.Dr.med. Gerd Utermann*

Born in Bad Oeynhausen, Germany, November 21, 1939.  
Married, two children.

### Affiliation and official address:

Department of Med.Genetics, Mol.and Clin. Pharmacology, Medical University Innsbruck  
Schöpfstraße 41, 6020 Innsbruck, Austria,  
Phone: +43/512-9003-70500, Fax: +43/512/9003-73510  
e-mail: gerd.utermann@i-med.ac.at

### Education:

1951 - 1961 High School in Dortmund/Germany  
1961 - 1968 Universities of Marburg/Lahn, Freiburg, Vienna (Medicine)  
12.1.1968 National Medical Examination  
21.7.1969 Doctor in Medicine

### Employment/Career:

1968 - 1972 Research associate, Dept. of Biochemistry (Laboratory Prof.H. Wiegand),  
University of Marburg  
1972 - 1973 Post doctoral fellow of the German Research Foundation,  
University of Helsinki, Finland, Dept. of Bacteriology and  
Virology (Laboratory Dr. K. Simons)  
1973 - 1984 Research associate, Dept. of Human Genetics (Head: Prof. G.G.  
Wendt), and Residency/Internship University Clinics, Marburg  
04.02.1976 Academic lecturer in Human Genetics (Habilitation),  
07.04.1983 Licence to practice medicine (Approbation)  
15.03.1984 Professor of Human Genetics (Honorarprofessor)  
University of Marburg  
01.09.1984 - Full Professor of Medical Biology and Genetics, University of Innsbruck  
01.10.1985 - Head, Institute for Medical Biology and Human Genetics, University  
31.12.2004 of Innsbruck  
01.01.2005 Director, Department of Medical Genetics, Molecular and Clinical  
Pharmacology, Medical University of Innsbruck

### Services to Professional Societies:

Austrian Society for Human Genetics (President 1996 - 2004)  
European Society for Human Genetics (President/Vice-President 1999-2002)  
Austrian Atherosclerosis Society (President 1997/1998)

### Service to editorial boards of scholarly journals:

#### **Member of Editorial Board**

Atherosclerosis (1986 - 1996)  
Arteriosclerosis (1987 - 1991)  
Eur.J.Hum.Genet (1992 - )  
Human Genetics (1989 - 1998)  
J. Lipid Research (1992 - 1997)

FASEB Journal (1995 – 1999)  
Arteriosclerosis, Thrombosis  
and Vascular Biology (1995 - 2000)

Speciality Editor (Lipids) Eur.J.Clin.Invest. (1985 - 1990)

Section Editor Current Opinion in Lipidology  
(Genetics and Molecular Biology) (1990 - )

### Official functions:

Member of Advisory Board of the IX. International Symposium on ‘‘Drugs Affecting Lipid Metabolism’’, Florence/Italy, October 1988, Venice/Italy, 1999

Faculty Member of the First European School of Medical Genetics,  
Sestri Levante (Genova/Italy), 1988, 1997, 1998 and Bertinoro, 2002

Member of Chairman’s Advisory Committee, 8th, 9th, 10th, 11th, 13th and 14th International Symposium on Atherosclerosis, Rome 1988, Chicago 1991, Montreal 1994, Paris 1997, Kyoto 2004, Rome 2006

President of the 9 th Annual Meeting of the German and Austrian Societies of Human Genetics (Innsbruck/Austria), 1997

President of the 10<sup>th</sup> International Congress of Human Genetics, Vienna 2001

### Awards and Honours:

G. B. Morgagni Medal 1985

Member of the Austrian Academy of Science (2001)

Member of the German Academy „Leopoldina“ (1997)

### Publications:

Number of papers in refereed journals: > 200

Number of contributions to text books/other communications: 67

Total Citations: 13658

Number of papers with > 100 citations: 41

### Major achievements:

1) Detection of apolipoprotein E polymorphism and its impact on plasma lipoprotein concentrations and relation to hyperlipoproteinemia type III

2) Detection of apolipoprotein(a) size polymorphism and elucidation of its relation to plasma lipoprotein(a) concentration and coronary heart disease.
